**Serving the Technology Law  
Community Since 1971**

## Global Focus

ITechLaw has been serving the technology law community since 1971 and is now one of the most widely established and largest associations of its kind. ITechLaw features a truly global membership base, representing six continents and spanning more than 60 countries, and a broad spectrum of industry expertise.

## What We Offer Our Members

ITechLaw offers unparalleled opportunities for international networking with experts and colleagues around the world. ITechLaw organizes worldwide conferences in North America, Europe and India, bringing together the finest minds in technology law today. Coming soon, ITechLaw's members-only social networking community to grow your global contacts.

## ITechLaw, Your Go-To Solution

ITechLaw is invaluable for anyone involved with technology law, including managing partners, new associates, judges, professors, and corporate counsel. We also look towards the future, offering unique opportunities for law students to publish, volunteer, and meet lawyers in practice.

## Our Members Drive Industry Progress

Operating as a non-profit, ITechLaw is run by its staff and its hardworking, dedicated volunteers and elected officials. ITechLaw encourages volunteer involvement from its members, as we strive to provide excellent services and leadership to the technology law community as a whole.

## Get Involved – Join ITechLaw Today

ITechLaw informs and educates lawyers about the unique legal issues arising from the evolution, production, marketing, acquisition and use of information and communications technology. We provide a forum for the exchange of ideas and in-depth examination of information technology and telecommunications law issues.
